Narrative

On 09/17/21 at approximately 1:28pm I, Officer Damit was dispatched to McDonald's for a PD accident. Dispatch advised that the accident occurred in the drive thru.

I arrived on scene and met with the driver of the striking vehicle, John Obuchowski. John stated that his foot slipped off the brake and it hit some one's aluminum trailer. John stated that the trailer gate was bent a little bit. I asked John where the other vehicle was at and he stated that the person told him that they were in a hurry to get to Michigan. John stated that he gave the person his insurance information the person left the scene. I asked John if got a plate number or name and he stated no.

I gave John the incident number on the back of my business card. I asked John if there was any damage to his vehicle and he stated no. I looked and I observed the front license plate was slightly bent and no other damage.

End of Report.
