NARRATIVE

On 10/25/21 at about 7:14am while assigned to patrol, I responded to 8406 N. 66th St. for a report of a motor vehicle theft that occurred within the previous 15 minutes.

CONTACT WITH DAN AND APRIL JONES:

Upon my arrival, I met with Dan and April Jones. Both are listed as owners of the vehicle, but April is the primary driver.

Dan stated that he was outside near the back of the residence and he heard a loud noise and saw lights. He then heard two cars accelerate away from the direction of his residence. He also saw tail lights a few moments later heading eastbound on W. Dean Rd.

Upon going to his driveway, Dan observed shattered glass on the ground and the Hyundai missing from the driveway. Dan checked the other vehicle (Jeep) to ensure there was no entry/damage to the Jeep. He also inspected other things like his garage to make sure everything was secure. Dan looked at his cameras that are outside and advised that the one camera that would have shown the Hyundai is not functioning. The other cameras did not pick up anything related to this incident. Dan estimated that he called the police about 15 minutes after the theft actually occurred.

Dan and April provided additional details about their Hyundai. It was a dark blue, almost purple, 2012 Hyundai Sonata 4d. The VIN and plate are:

There were no liens on the vehicle. It was insured with Partners Mutual. The vehicle had standard Goodyear tires. There were about 90,000 miles on the vehicle. Both plates were displayed on the vehicle.

When asked about property inside, Dan and April Jones stated that they had an iPass, an older Garmin GPS unit, and water.

Dan and April were issued the Victim Rights Notification.

STOLEN VEHICLE ENTRY:

Clerk Junk entered the vehicle into NCIC/CIB as stolen.

ADDITIONAL INFORMATION

On 10/25/21 numerous officers were dispatched to various locations in Brown Deer for damage to vehicles and motor vehicle thefts.

RECOVERY OF VEHICLE:

PO Ohland advised me that the vehicle was recovered at about 10:58p on 10/25 at 8901 W Fiebrantz Ave. See his supplement for details.

He informed me of a USB dongle that he believed could have belonged to or been handled by the suspect(s).

ADDITIONAL CONTACT WITH DAN AND APRIL JONES:

On 11/1/21, I spoke with Dan Jones. He advised that they went through the vehicle while it was at Leader. He stated that there was a Navy t-shirt and a lighter that he left in the vehicle that did not belong to them. He stated they located their iPass but their Garmin GPS unit was missing.

Dan Jones also stated that the USB dongle belonged to his wife.

I will make arrangements to get the additional property that does not belong to the Jones' and return the USB dongle we have on inventory to April Jones.

OFFICER'S DISPOSITION:

This complaint is suspended and can be reopened if additional information is obtained about suspects.

NARRATIVE

On 10/25/21 at 10:58 PM, Milwaukee Police Department Officers Schroeder (#1600) and Rocha (#3493) reported recovering a blue 2012 Hyundai Sonata (WI/538SUS) at 8901 W Fiebrantz Ave, Milwaukee, WI 53222. The vehicle had been reported stolen to Brown Deer Police Department earlier in the day. While assigned to squad 1341, and equipped with squad and BWC, I (PO Ohland) responded to recover the vehicle. It was confirmed as the same vehicle. It was found to have a flat driver rear tire, body damage along the driver side front, side and rear, the driver mirror glass removed, the steering column damaged, the front passenger window broken out, and both license plates still attached. Photos were taken and DNA swabs were collected from the steering wheel and front passenger inside door handle. A USB dongle was located in the center console that was placed into evidence. All evidence and photos were processed at BDPD. The vehicle was removed by Leader and the owners, Dan and April Jones, were notified in person. The vehicle was removed from NCIC.
